

## **Planning Learning Through Projects**

### **Planning My Search Strategy**

1. In one sentence describe the topic and what the project task is about:
2. Highlight the key ideas and words in the above sentence.
3. What organisations (if any) might host information about this topic?
4. What kind of information are you looking for?
5. What phrases might be useful in your search?
6. Now use the highlighted words in 2 and the words in 4, 5 and 6 to conduct a preliminary search.
7. Consider the FoReST words (different forms, related terms and synonyms) – write them here and use them for updated searches:
